CHILD 2 - Francis REED

Francis Reed had a small property at Mundoorra and used to go out working. His sons, Tom & Newton also used to go out working and his daughter, Frances used to live with Grandma Chapman. Mark and the twins, Lily & Rose were at home when their mother died, they were 10 years old and their sister Frances and Aunt Agnes Willsmore took them to Grandma Chapman to live until they left school. Tom and Newton Reed took up land at Mitchellville near Cowell and built a house. The girls then went and lived with them. Francis Reed did not work on the farm, but did in busy times. Francis Reed died when the twins were teenagers. When the first World War broke out, Mark enlisted, and went overseas and was killed in action in France in 1916 aged 24 years. Newton also enlisted and was in the 9th Light Horse Regiment. In 1963 Lily Watson and Rose Farnworth from Bessenham West Australia (the Reed twins) came over to South Australia, for a holiday and stayed with Mable Hunt (Mrs John Grant) and they also visited Cliff and Len Reed and families at Willunga.

CHILD 3 - John Thomas REED

John Thomas Reed came to Australia with his parents when he was 3 years old, on the sailing ship "Marion" this ship was wrecked shortly afterwards. His parents were engaged in farming in the Willunga district. When a young man, John Reed took up land near Johnburgh. However after a series of dry years he was forced to leave his wife and young family and go mining at Broken Hill and Western Australia. In 1907 he went to Eyres Peninsula and took up land near Yeelanna, where he was one of the pioneers of the district. He had an uphill fight in clearing the mallee scrub, but he succeeded and in 1924, he had one of the best crops in the district. He died on December 13th 1924 at age 72 years and was buried in the Yeelanna cemetery, by the Methodist Minister the Rev Barret. For some time his widow, lived on the farm with her daughter Eva, then later moved to Black Rock and Johnburgh living amongst relations before finally settling at Peterborough where she lived for several years until her death on Jan 25th 1942, age 84 years and was buried in the Orroroo cemetery near her Mother, Phillippa Arthur. The Methodist Minister Rev Redden officiated at the graveside.

CHILD 4 - Jane Elizabeth REED

The following was found on the back of a photo of Jane it is written by my grandfather Andrew "My mother whom as a child with her parents and grandparents came from Penzance Cornwall in 1856 in the sailing ship "Marion". Departed Plymouth 9 Sept 1856 arrived Pt Adelaide 19th January 1857 (more than three months on the sea). Parents William & Eliza Reed took up farming & named the property Delabole after a quarry in Cornwall.

CHILD 5 - Thirza Anne REED

Newspaper cutting

"Mrs Thomas Hunt spent her youth, near Willunga and in the earliest years she attended the Sunday School at Delabole Quarries. Undoubtedly much of the Christian sentiments goodwill and activity for the Church as in her life was the result of the good seed sown in early years. After her marriage and her coming to Myponga there was

evident in the interest in the work of God from the beginning of her residence in the neighbour.

During thirty years that interest continued and was apparent in the Myponga Church and the Circuit, with which it connected our sister attended Stone Laying celebrations at Myponga and contributed towards the building.

Besides contributing and working for the welfare of the church, she was latterly amember of the Church, she having joined during the early patern of the Rev E A Petherick.

She was ever so bright and cheerful,always ready to say the kind word to be helpful and sympathetic to those who were in need. her illness there the result of a seizure lasted for several weeks during which time was increasing weakness but apparently little or no painl feature which cannot but be conobing to the friends.

After passing through the weeks of illness and growing feebleness without complain or repending our sister passed to her reward on Sept 1916. Strength after weekness crown after cross.

A memorial service attended by the residents of the district was held in the Church at Myponga on the 19th Nov by the Pastor the deceased and grief felt for the loss sustained and in the service such influence was manifest as we trust may lead some to follow our sister as she followed Christ. Notes
HUSBAND - Richard Edward Carrick CORRELL
 Richard was the third child of Robert and Elizabeth (nee Savage). He was a great worker for sport and his achievements throughout his life are set out in the following newspaper report taken from a scrapbook owned by the late Doris Gilbert:
 "After a long illness, Mr. Richard Edward (Dick) Correll, who was well known and respected in Adelaide sporting circles, died at his home, Anglo Avenue, Parkside on Tuesday. He was born at Woodside on 17th October, 1867, and was the son of Mr. Robert Correll, one of the founders of the Onkaparinga Racing Club. He was educated at Pulteney Grammar School, and for thirty-three years was associated with Harris, Scarfe Limited and later with the Government Produce Department. In his younger days, Mr. Correll was a good footballer. He played with Port Adelaide from 1890 to 1898 and then joined Norwood Club, and also served on the committee. He did not allow his interest in football to flag, and acted as secretary of the Veteran Footballers' Association. He was an enthusiastic worker on the committee of the Charity Carnival. He was the first secretary of the Hardware Assistants' Athletic Association. Cricket also attracted his attention, and he won a trophy for the best bowling average in the Lyric Club for a season. Mr. Correll was well known in racing circles, being a familiar figure at the Victoria Park race tracks. For the past ten years he reported track gallops at that course for the 'The Advertiser'. His interest in the Onkaparinga Club was also great, and since 1920 he acted as clerk of scales for the coming meeting. He was justifiably proud of the fact that he had not missed a Great Eastern Steeple chase since it was first run in 1876, when it was won by "Tormentor" which was owned by his father. More than one hundred of the old comrades on the football field and sporting friends of the late Mr. Correll were present on Sunday afternoon at the Mitcham Church of England cemetery where Mr. J. H. Gosse (President of the Norwood Football Club) unveiled a memorial headstone placed over his grave through the efforts of the Veterans' Football Association".

 "Mrs Thomas Hunt spent her youth, near Willunga and in the earliest years she attended the Sunday School at Delabole Quarries. Undoubtly much of the christian sentiments goodwill and activety for the Church as in her life was the result of the good seed sown in early years. After her marriage and her coming to Myponga there was evident in the interest in the work of God from the begining of her residence in the neighbour.
 During thirty yearrs that interest continued and was apparent in the Myponga Church and the Circuit, with which it connected our sister attended Stone Laying celebrations at Myponga and contributed towards the building. Besides contributing and working for the welfare of the church, she was latterly amember of the Church, she having joined during the early patern of the Rev E A Petherick.
 She was ever so bright and cheerful,always ready to say the kind word to be helpful and sympathetic to those who were in need. her illness there the result of a seizure lasted for several weeks during which time was increasing weakness but apparently little or no painl feature which cannot but be conobing to the friends.
 After passing through the weeks of illness and growing feebleness without complain or repending our sister passed to her reward on Sept 1916. Strength after weekness crown after cross.
 A memorial service attended by the residents of the district was held in the Church at Myponga on the 19th Nov by the Pastor the deceased and grief felt for the loss sustained and in the service such influence was manifest as we trust may lead some to follow our sister as she followed Christ. G H Bayter"

HUSBAND - John ALLEN (Continued)

"Willunga Profile"

On his return from the gold diggings in Victoria, John Allen, who had bought the Delabole slate quarry, later secured Waverley Park where he became a producer of lambs on a fairly large scale. The property remained in the Allen family until his grand daughter Miss Maude Allen, bequeathed it to the Willunga District Council. It is now known as the Herbert Allen Memorial Park in memory of her father. A golf course and other recreational facilities are being established there now. A large photograph of the house in its park setting hangs in Australia House in London.

Sampson Dawe owned and operated this quarry from the 1840's until 1855. He had named it after a famous slate quarry in Cornwall. The new owner was John Allen, of Waverley Park, Willunga who sold it in 1860 but 12 years later bought it back from the Delabole Slate Co of Adelaide. During the company's period of ownership, a small village was built at the quarry. When back in control, John Allen supplied large quantities of roofing slate for many Adelaide buildings including the G.P.O., the Town Hall, the Museum and the Bank of Adelaide.

Mr Allen gained a number of certificates of merit at the Sydney and Melbourne International Exhibitions in 1879 and 1880 and at the Adelaide Exhibition in 1881. Mr Allen sold the property in 1903 and it has not been used for quarrying again. "

Sixty Years of Wedded Life An Esteemed Willunga Couple

"Life must be a sort of earthly paradise to Mr and Mrs John Allen, of Waverley Park, Willunga, who celebrated their diamond wedding in the Willunga Agricultural Hall on January 12 in the presence of more than 100 guests. This wonderful old couple - for he is 83, and she is 86- who have trod life's pathway together for 60 years, are spending their remaining years in the peaceful and beautiful seclusion of their picturesque home at Willunga, Mr. Allen is a fine type of the old school of English gentlemen, broad minded and generous in the widest interpretation of these words, and gifted with the noble trait that if he could not do anybody good he would do them no harm. His wife possesses a lovable personality, strongly developed by her constant endeavour to think more of others than of herself. She is gifted with exuberant spirits, and a desire to live, characteristic of an unselfish temperament. Many people can recall happy times spent at Waverley Park.

"A Good Record" Curiously enough, Mr. and Mrs. Allen were born in the same county (Cornwall); they came to Australia in the same ship: and married 10 years after their arrival. Born in Roche, Cornwall, in 1833, Mr. Allen journeyed to this province in the ship Duchess of Northumberland, in 1847. Coming to Adelaide, he joined Messrs. Adam and Archibald Jaffrey's drapery establishment, Waterloo House- on the site of Miller Anderson Limited's present premises in Hindley street. He stayed there for four years, when the lure of the gold fields attracted him to the Ballarat diggings in 1852. Three months' prospecting there brought him good luck, and he returned to South Australia, and invested his money in land at Willunga, where he has lived ever since. Ten years ago the venerable couple made a short trip to England, just before the celebration of their golden wedding. Mr. Allen has always taken an active interest in local movements. He was a member of the School Board of Advice for 25 years and has been associated with the local agricultural society, recreation ground, and the Anglican Church. He is still a trustee of the Oddfellows' Lodge and is also one of the oldest justices of the peace.

"Fruits of Hard Work" "To what do you attribute your good health?" a representative of The Register asked the old gentleman on Friday night. "Hard work" was the laconic answer. "I travelled between Willunga and Adelaide as a carrier of slate from my own quarries for 45 years, in addition to directing farming operations. When on the road I looked after myself. If it was raining, I always carried a dry suit of clothes to put on in case of emergency I consider I have led a useful life." There is no doubt about that. Mr. Allen enjoys good health, except for occasional slight attacks of gout.

"Paying Homage" It must have been a memorable event for the aged hosts on Friday evening to have witnessed their old friends gathered around them. Nobody enjoyed the function more than they did. As the guests entered the hall, husband and wife - as happy as they were 60 years ago - went through a long succession of handshakes, and received innumerable congratulations. After the reception, the Rev. T. Wood was appointed Chairman for the evening. Mr. H Allen, in (sic) behalf of the family, thanked the guests for having paid homage to their esteemed parents. A musical programme was then provided by Miss Marjorie Ware, and Messrs. Robert Lawrance, J.J. Sharp, and George Ware. Miss Lawrance was the accompanist. Dancing was also indulged in.

"Enthusiastic Toasts" At supper, after the loyal toast had been honoured, Mr. Wood proposed the health of Mr. and Mrs Allen. The toast was enthusiastically observed. Ten years ago, he said, they had met for their hosts golden wedding, and that period had passed rapidly. Their presence was a guarantee of their respect for Mr and Mrs Allen, who had always conferred great benefits upon the community. Mr Herbert Allen in responding for his parents, expressed their delight at the sight of so many old friends seated at the table. He was sorry that Mr Vinrace Lawrance and Mr W P Dunk two of his father's associates had not been able to attend, but they were pleased to have Mr H C H Denton, Mr Sharp two visitors to his father's place, and Mr J M Snoswell, who could remember his father better than anybody else present. Messrs Frederick Allen and Hurtle Allen also replied. Mr Robert Lawrance who has returned to South Australia after an absence in England of 24 years, spoke for his father Mr Vinrace Lawrance. After such a long absence he had taken the first opportunity to visit Mr and Mrs Allen's home where he had spent so many happy days. He hoped the old couple would live for years to enjoy good health. At the instance of Mr Denton the health of the Boys at the front among whom are sons of Messrs G Ware and Frederick Allen was honoured.
